Mountainview Elementary School is an English Language school that has a proud tradition of inspiring each child to reach his or her individual potential. We were proud to be chosen by Today's Parent Magazine as being one of Canada's top 30 schools in 2006. Our caring and dedicated staff work together to offer a variety of academic and extra-curricular learning opportunities. Our motto "Mountainview Cares" permeates all aspects of our school life. Some of the opportunities Mountainview offers are as follows:

- A Math programme focusing on the core competencies of the QEP with a an emphasis on developing and understanding situational problems
- A strong English programme with multileveled reading that challenges students to constantly develop and improve their Language Arts skills
- A thematic based French as a Second Language programme (30% of instructional time is in French)
- A Cycle 3 Robotics programme
- Computer-assisted learning, incorporating 33 IBM Think Pads and three Smart Boards
- A Kindergarten to Grade 6 academic Music programme
- 120 minutes of Physical Education per week
- Extra-curricular music, science and circus activities
- Lunchtime intramural sports activities, and various clubs
- Extra-curricular and co-curricular field trips including overnight excursions for Cycle 3 students
- Student-led Portfolio Conferences
- Ongoing community partnership programmes
- A school wide positive behaviour and character-building programme
- MELS Daycare
